

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

		James Dunlap	Republican	6,295	
		Ethan A. Brown	Federalist	1,607	
1818	Governor	Ethan A. Brown	Republican	30,194	38,269
		James Dunlap	Republican	8,075	
1820†	President	James Monroe	Democrat	7,164	9,879
		John Q. Adams	Opposition	2,215	
1820	Governor	Ethan A. Brown	Democrat	34,836	48,860
		Jeremiah Morrow	Democrat	9,426	
		William H. Harrison	Democrat	4,348	
		Scattering		250	
1822	Governor	Jeremiah Morrow	Democrat	26,059	60,008
		Allen Trimble	Federalist	22,889	
		William W. Irvin	Democrat	11,060	

\*From 1803 to 1860 the Secretary of State was elected by the General Assembly.

†The Democratic party of today claims lineal descent from the first Republican party, with President Jefferson as its founder. Authorities differ as to the date when the party dropped the name Republican and assumed that of Democrat, it being ascribed to various dates between 1805 and 1820.

‡Political parties were disorganized at the time of the election of John Q. Adams. He claimed to be a Republican, as Jefferson, but his doctrines were decidedly Federalistic. The opposition to his administration took the name of Democrat, and elected Jackson President in 1828.

Arthur B. Shelton.....	Clerk.....	3,500
Chas. M. Ayer.....	Assistant Clerk.....	2,000
Thomas H. Clark.....	Stenographic Reporter.....	2,500

## DUTIES OF THE COURT.

Decisions of contested cases in the collection of customs duties have been in great confusion for several years. It has been exceedingly difficult for the law officers of the Government to obtain consistent interpretations of the various provisions of the tariff law as applied to specific articles. It is believed that by concentrating the responsibility for deciding such cases in a single judicial body much of the confusion that arises from these variations of interpretation will be removed. The new court will decide all contested cases without appeal, except on questions of constitutionality.

## UNITED STATES CIRCUIT COURT OF APPEALS (SIXTH CIRCUIT).

OHIO, MICHIGAN, KENTUCKY, TENNESSEE.

Office.	Name of Incumbent.	Politics.	Residence.	Appointed.
Circuit Justice.....	William R. Day.....	R	Canton, Ohio.....	Feb. 25, 1908
